Sparing Policy - Renfrew Curling Rink

Curling is a team sport and as such the team suffers when a member of a team does not show up to play his/her game at any given time. It is understood that there are times when other commitments may interfere in a player's ability to play. In accordance with the Spare Policy, spares are used in this instance to ensure teams have a full complement of players and everyone enjoys the sport on a level paying ground.

Spares are to be current members of the Renfrew Curling Rink in good standing.

Policy:

It is the responsibility of the individual member to find a replacement (spare) if they cannot meet their commitment to play. If the individual member cannot find a replacement, they are to contact their skip. The skip may seek assistance from their draw master.

A spare may be any eligible RCR Member selected in accordance with the priority below:

- A member of the bye team for that draw.
- A member listed on the draw's spare list.
- Any other eligible RCR spare.

Eligible Spares:

- Any Full Season Unlimited Play Member.
- Any Half Season Unlimited Play Member (during their half season).
- Any Single League Full Season Member – up to 5 games in each half season.
- Any Single League Half Season Member – up to 3 games during their half season.
- Any games spared outside this policy, a \$\$/game will be paid either in advance (e-transfer) or paid at the bar after the game.
- The honour system will apply to this policy and all such payments.

Spares must be current members of the Renfrew Curling Rink.

2026 - 2027 Season – the sparing fee will be \$20/game.
