

Renfrew Curling Rink

To: [Name]

Since its founding in 1874, the Renfrew Curling Rink has been a fixture in the Ottawa Valley. The club has introduced thousands of people to the sport of curling, and has hosted two provincial championships.

Throughout the years, the Renfrew Curling Rink has been fortunate to receive support from the local business community through their participation in our annual sign advertising campaign. This has been and continues to be an important asset for the club, and provides an inexpensive means of advertising for local businesses.

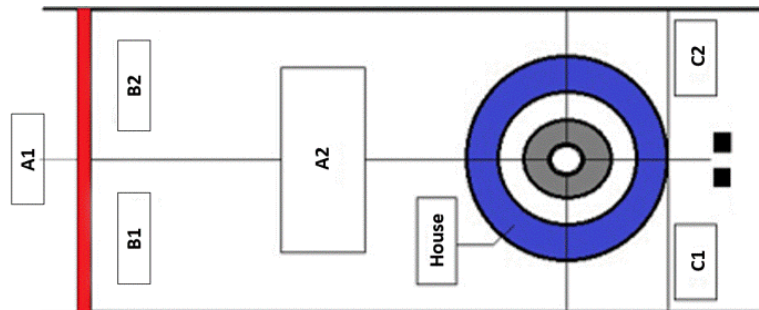

As a sponsor, your business will benefit from exposure to the many people who play in and visit our club through the year, including members, their families, friends, school groups, and the larger community who use the club for parties and fundraising events.

We have over 170 members who curl here every week. We also convene 15 bonspiels every year where community members join us on the ice surface. We also host several off-ice events every year which are open to the general public. We offer an opportunity to post signs on the ice shed walls, decals in the ice surface, signs on our score boards or ice coolers in the bar area.

Your business, as part of your purchase, will also receive exposure on our web-site. Additional cost to you would include the initial purchase of the signage.

Please note that TFC signs can provide production costs based on wall sign dimensions.

Ice Decals are produced by Jet Ice and Wall to Wall productions and can be found at this link <http://www.jetice.com/curling-full-house>. Depicted below in the diagram are the various options.

Rates for the different levels of sponsorship can be found on the following page.

Please consider rejoining our growing list of advertisers as a means of promoting your business while supporting our club. If you have any questions, please feel free to contact Renfrew Curling Rink at renfrewcurling@gmail.com.

Corporate Sponsorships
